

Deliverer

Words and Music by Justin D. Frederick

Verse 1:

Blessed Father, You've raised up a horn of salvation for us
who comes from the house of Your servant David,
that we might live with You.
Thank You Father, for You have been faithful to all You spoken,
to all that You've said since the world began.
Your covenant with us.

Pre-Chorus:

Your anger is but for a moment and Oh, Your mercy is forever.
And You, You pity us as Your children. You know our frame is but only dust.

Chorus:

Oh deliverer You've come, to save our souls from death.
Jesus, King of Kings and Lord of Lords.
Oh deliverer, You've come to wash away our sins.
Jesus, Son of God and Son of Man.

Verse 3:

Blessed Father, You've sent forth Your only begotten son that
evil would forever flee the earth.
That paradise would come.
Thank You Father, the light has come and dispelled the darkness.
Now everyone who believes in You
shall rule forever with You.
