

Just Want Love

Words and Music by Lisa Gottshall

F C/E
I just want treasure in heaven
F C/E
This one thing that cannot be taken
F C/E Gsus G
I just want the gold of knowing You
F C/E
For nothing else will stand the heat of Your gaze
F C/E
When I see You, LORD, face to face
F C/E Gsus G
I just want the gold of knowing You

F C/E
I just want love, I just want You, LORD
F C/E Gsus G
I just want love - knowing You

F C/E F C/E
I could speak in tongues of men and angels; I could prophesy
F G
I could have a faith that moves the mountains
F C/E F C/E
I could give all I possess to the poor, even my body to be burned,
F G
But have I not love, I'm nothing, I gain nothing

F C/E
Burn all else away that won't remain
Burn all of this wood and hay and stubble inside
F C/E G
I just want love, I just want You

F C/E F C/E F G
'Cause at the end of my life, the question will be
"Did I learn to love?" "Did I learn to lean?"
Not how big was my ministry, not how many people did I please.
But did I learn to love. Did I learn to love?
