

# Closer

Matt Gilman

## **Verse:**

There is a rainbow of mercy around You  
It's calling me closer, closer  
The blood of Your Son has made me a way  
A way to come closer, closer

## **Chorus:**

For You delight in showing me mercy  
And You desire me to draw near  
Now You have caused me to come and approach You  
And I am blessed among men

## **Tag:**

Now there is one thing I will desire  
And there is one thing I will seek  
That I may behold You in all of Your glory  
To gaze on the beauty of the King
