**G**            **C**            **G/B**  
Come let us turn to the Lord  
                 **Em**            **C**            **G**  
For He's called us each His own  
**G**            **C**            **G/B**  
Come let us love, for He said  
                 **Em**            **C**            **G**  
"You have ravished Me, My bride  
                 **Em**            **C**            **G**            **D**  
I am yours and you are Mine"

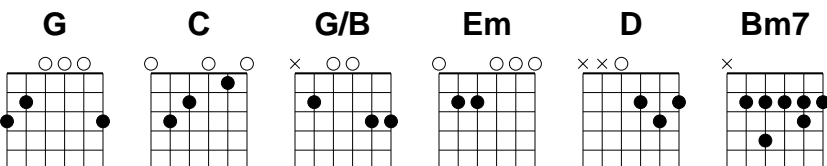

Chorus:

**G**                            **Dadd4**  
This is my prayer, it's my solemn vow  
                 **Em**                            **C**  
With all that I am, with all that I have  
                 **G/B**            **Dadd4**            **Em**            **C**  
I will love You,            I will love You  
                 **G**                            **Dadd4**  
With all of my heart, my soul and my mind  
                 **Em**                            **C**  
I pour out an offering of worship and cry  
                 **G/B**            **Dadd4**            **Em**            **C**  
I will love You,            I will love You

You call my name, I will arise  
For You're jealous for my heart  
Forsaking it all, for You said  
"Turn and leave your father's home  
Come and cling to Me alone".
