

See the Way

Misty Edwards

Verse:

With just one word of Your mouth were the heavens made
With just one breath of Your lips the foundations were laid
With just one dream in Your thoughts You have wanted me
With just one pulse of Your heart You are wooing me

Chorus:

See the way He holds the stars in His hands
See the way He holds my heart

God is a Lover looking for a lover, so He fashions me
God is a Lover looking for a lover, so He forms my heart

Bridge:

With just one pulse of Your heart
With just one pulse of Your heart
With just one pulse of Your heart
I'm in love

Outro:

There's nothing like You and I
There's nothing like You and I
