See Me Through (Page 2)

Tim Reimherr

And only what You say
Will really see me through
Send forth Your light and truth
And lead me, lead me on

Lord have mercy cause it's my only means
To find You here with me
To find You here with me
Lord have mercy cause it's my only plea
To find You here with me
To find You here with me.

As for me I will enter Your house By the mercy You're giving me now Your mercy is my only means (plea)

Life is not right until You split the sky
The Spirit and the Bride say, "Come!"
We long for the day
When You make all things news
We want to be with You.
