

# Shine On Us

Bryan McCleery

---

**A**            **D**  
Purify Your bride,  
                         **A**  
Like the snow is white  
                         **D**  
Purify Your bride.  
**A**            **D**  
Purify our hearts  
                         **A**  
And purify our minds,  
                                 **D**  
Make us blameless in Your sight.

Bridge:

**F#m7**                            **Amaj7**                            **E**  
Cause I know that one day, I'm gonna see Your face  
   **D**  
And You'll come like the sun that shines  
                         **D**            **E**  
Through the rain

Chorus:

**D**            **F#m7**    **Amaj7**                            **E**  
So shine on us and make Your kingdom known  
**D**            **F#m7**    **Amaj7**                            **E**  
Shine on us and may Your kingdom come.  
La, la, la, la, la ....

Tag:

**D**                            **E**  
We surrender all to You  
         **D**                            **E**  
We surrender all to You
