

# You Will Not Relent

Justin Rizzo

---

**Bm**            **D**  
You will not relent  
                         **G**  
Until my righteousness  
                         **D**  
Shines forth like the dawn

You will not relent  
Until You have a bride  
Pure and white

You came and You died  
To redeem Your bride

1st Chorus:

It's all about a wedding to come  
It's all about a God who's a lover

2nd Chorus: (changes to 3/4 time signature)

**Bm**            **A/C#**    **D**  
I want to know the yearnings of Your heart  
I want to feel Your burn for me  
I want to know the yearnings of Your heart  
                         **G**                    **A**  
And feel Your jealous, jealousy  
                         **G**                    **A**  
To feel You burn for me
