

Grace and Glory

Marcus Meier

Verse 1:

O God of the impossible, with You all things are possible
You spoke and creation was made
Your eyes are running to and fro to show Yourself strong to those
Whose hearts You find loyal to You
There is no one greater than our God and Savior

Chorus:

God is my help, God is my source; God is my light forevermore
And He will give us grace and glory, He will give us grace and glory

He is the Lord, worthy of praise; His name is good and by it we're saved
And He will give us grace and glory, He will give us grace and glory

Verse 2:

Your hand healed all who came to You; Your voice spoke words of comfort to
All men who saw Your marvelous light
There is no one greater than our God and Savior

Bridge:

Let Your glory shine for all to see Your light
For all to know You are the Lord God, gracious
This is who You are, Bright and Morning Star
Spirit and the Bride say, "Come, Lord Jesus"
