

Indwelling Spirit

Justin Rizzo

Indwelling Spirit, I am not alone
Indwelling Spirit, I am not my own

Through fellowship I long to see
The abundant riches of this mystery within me

You have not left me here alone
But what You've done, what You've done
Is given me the dignity to choose You
It's life or death, sowing to the Spirit or sowing to the flesh

Your Spirit within me, abundant riches of glory within me
Strengthening me from the inside out

Come and strengthen us in righteousness
Come strengthen us with Christ within

Come conform me, come transform me into the image of You

Am I sowing to the Spirit or sowing to the flesh?
I doing one or the other all the time
