

Gift of God

Justin Rizzo

Verse:

As for me I was dead in my transgressions

I was bound to my sin, and bound to condemnation

And fully deserving of death, fully deserving of death

Pre-chorus:

A G
But You saw me there, because of You great love

A G
You saw me there, because You're rich in mercy

Chorus:

Bm F#m
And You made me alive when I was dead

G D
You raised me up and seated me with Christ

Bm F#m
And it's by your grace that I am saved

And it's through faith; it's the very gift of God

Bridge:

Bm F#m
Eternally I've been bought with blood

G Em (D into Chorus)
There will never be another sacrifice
