

# More Than A Dream

Tim Reimherr

---

**E** **B/D#**  
A broken heart is all I have to bring

**D** **A**  
Yet You say of me I'm Your desire

**E** **B/D#**  
A filthy soul is all I have to give

**D** **A**  
Yet You say to live as Your desire

Pre-chorus

**C#m** **G#m** **F#m**  
Before the world was formed You saw my frame

**C#m** **G#m** **F#m**  
You said I was Yours before I even lived one day

Chorus

**A** **C#m** **B**  
You're more than a dream

Sanctified is what You made me

Pure and spotless clean

I'm Your desire

Through the blood You spilt and shed for me

I'm Your desire

Bridge

**A** **E**  
There's nothing I can bring

**B**  
To make You love me more

**A** **E**  
There's nothing I can do

**E**  
To make You change Your mind
