

# Stay Close

Cory Asbury

## Verse:

E G#m C#m B E G#m C#m B  
I want to be Your friend, one who will sit and hear Your words  
E G#m C#m B E G#m C#m B  
I want to walk with You down this lonely, narrow road  
E G#m C#m B E G#m C#m B  
But God, You know my weak estate; You know how I need Your hand of grace  
A  
To come and pull me up to where You are

## Chorus:

E Bm D  
I wanna stay close to the fire in Your eyes, to the burnings of Your heart  
Amaj7  
I don't wanna grow cold  
E Bm D  
So come and set Your seal of love upon my heart, love as strong as death  
Amaj7  
Till I'm forever Yours  
E Bm D  
I wanna be found in the council of the Lord, with a heart that's after Yours  
Amaj7  
I don't wanna grow cold  
E Bm D  
So come and set Your seal of love upon my heart, love as strong as death  
Amaj7  
Till I'm forever Yours

## Bridge:

C#m B D  
All-consuming Fire of love, come burn away what hinders love  
A (C#m)  
Till I am only, only Yours, till I am only, till I am only Yours
