

You Are So Good

Tim Reimherr

G
You've searched me out

C
You know all my days

Am
You see all my doubts

D
You know all my ways

Where can I go
Where can I run
You've seen it all before
You've paid for me with blood

Chorus

G **D**
You are so good

C
You never leave when I think You should

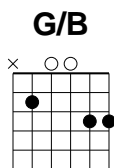

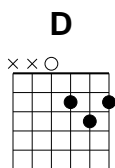

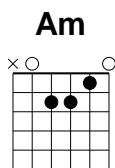

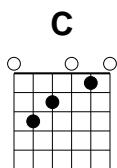

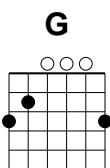

G **D**
You are so kind

C **G**
With all You see You still give me life

You see my heart
Each movement it makes
From the weakest cry
To the highest praise

And when I fall
You lift me up
You've seen it all before
You've paid for me with blood
