

Beautiful Heart

Misty Edwards

Verse 1:

There is no shadow of turning in You, no rebellion or pride
You don't know greed or envy or strife; Your intentions are pure and holy

Delighting to do the Father's will, You don't have a thought against Him
But humbly You live in perfect restraint, waiting for promises given

Chorus:

Jesus, You have a beautiful heart
Jesus, You have a beautiful heart

Verse 2:

You're gentle, You're meek, yet Your heart is strong
Jesus, Your gladness is contagious
You are not selfish, You can't compromise; You are the truth, You can't lie

You don't hold a grudge or have a cynical eye; bitterness has no part of You
But You're quick to forgive, let me back in again; Your kindness is so liberating
