

Under Your Smile

Tim Reimherr

Verse 1:

E Amaj7
Could I sit for a while under Your smile and not say a word
E Amaj7
'Cause the cry of my heart is to be set apart and I know You've heard
E Amaj7
I've turned from all the ways and the choices that I made that were hurting You
E Amaj7
So I'll trust and believe that You've washed me clean and I'm pleasing You

Pre-chorus:

Amaj7 E
I don't want to be anywhere else but by Your side
F#m7 E/G# Amaj7 B
I don't want to be anything less than pure in Your eyes
C#m Bsus4/D#
(In Your eyes)

Chorus:

E B/D# C#m
I am Yours, You are mine, beyond time
A
Nothing will separate us
E/G# B C#m
Lord, hold me now in Your arms
A
Till forever comes

Verse 2:

E Amaj7
Could I sit at Your feet, feel Your gaze upon me as I trust You're near
E Amaj7
All the words that You speak are life unto me and I need to hear
E Amaj7
Tears fill my eyes as I realize that You're wanting me
E Amaj7
You can have what You see, please take all of me; You're my only hope
