

Under Your Smile

Tim Reimherr

Verse 1:

Could I sit for a while under Your smile and not say a word
'Cause the cry of my heart is to be set apart and I know You've heard
I've turned from all the ways and the choices that I made that were hurting You
So I'll trust and believe that You've washed me clean and I'm pleasing You

Pre-chorus:

I don't want to be anywhere else but by Your side
I don't want to be anything less than pure in Your eyes (in Your eyes)

Chorus:

I am Yours, You are mine, beyond time
Nothing will separate us
Lord, hold me now in Your arms
Till forever comes

Verse 2:

Could I sit at Your feet, feel Your gaze upon me as I trust You're near
All the words that You speak are life unto me and I need to hear
Tears fill my eyes as I realize that You're wanting me
You can have what You see, please take all of me; You're my only hope
