

Living to Intercede

Laura Hackett

He prays that my faith would not fail
He prays that my faith would not fail

He's always living to intercede, yeah yeah yeah, yeah yeah yeah
He's always living to intercede, yeah yeah yeah, yeah yeah yeah
He's always living to intercede

There is a power that is greater, a force that is stronger
A power that is greater than my sin nature

It is God's desire for me

I know if God is for me, who could be against me?
I know if God is for me, who could be against me?

I will lean into His prayer

Satan has asked to sift you as wheat
But I pray that your faith would not fail

Father, I desire, Father, I desire mercy
Father, I desire, Father, I desire mercy
