What shall I do with you, My love

Eadd9 B/D# C#m7 Amaj9

What shall I do with you

Eadd9 B/D#

For your loyalty to Me is like the morning clouds

C#m7 Amaj9

Like the dew which goes away so early

Eadd9 B/D# C#m7 B Amaj7

What shall I do with you, My love

B C#m7 B Amaj7

You keep bringing Me sacrifices to ease your mind

Eadd9

But it's your heart that I want

Eadd9 C#m7

Hasn't it been a long road, disappointment

Amaj7 Eadd9

Chasing after lovers that just throw you away

Eadd9 C#m7

Are you done fighting now, all the love that takes delight in you

Amaj7 Eadd9

Shame was never meant to be your portion

B C#m7

Though your sins are red as scarlet, I will wash them white in My mercy

B C#m7

Though your sins are red as scarlet, I will wash them white in My mercy
