

All I Want

Marcus Meier

Verse:

My everything, be everything to me
My inward strength, forever You will lead me
My precious friend, You've drawn so near to me
My everything, forever lead

Chorus:

All I want is Your love, Jesus
All I want is You
All I need is Your love, Jesus
All I need is You

Bridge:

You are my everything, You are my great reward
All else is fading away; only You remain
