

Our God Reigns

Marcus Meier

Verse 1:

Our Bridegroom will come with passion ablaze
The champion of God, the earth to reclaim
He comes in that day to be glorified with glory so bright

Pre-chorus:

When He breaks the back of the wicked
We will break forth into song, eternal song

Chorus:

Our God reigns; the nations will sing His praise
And tell of the wonders of His great love
Our God reigns; oh, what a wondrous day
When Satan is bound and Jesus is crowned

Verse 2:

His name be declared again and again
As prisoners are freed and Israel repents
The wicked destroyed, the righteous rejoice in Jesus, our joy

Pre-tag:

There is no one like You, O King of the Ages
There is none as holy, deserving the highest praises

Tag:

Our God reigns, our God reigns, our God reigns, our God reigns

	There is none as holy, deserving highest praises
Our God reigns	There is no one like You, who can compare to You?
