Praise the Lord

Kristene Mueller

```
E                          G#m          C#m            B                    E
  Praise the Lord, O my soul, and let all that's within me praise His name
                           G#m          C#m            B                    (E)
Praise the Lord, O my soul, and let all that's within me praise His name

C#m                            B
  For I will not die; I will live
                                                 A                    B
And I will tell of the works of the Lord and sing of His wonders
C#m                        B   A                    B
  I will not die, I will live;   I will not die, I will live

                  E   G#m                C#m   B
He's a great God,       He's a great God

E        G#m                      C#m                      B
I get to love You through whatever comes; what a privilege
       E         G#m                      C#m                      B
That I get to love You through whatever comes; O how sweet it is

  E                                                    G#m
Nothing's gonna take Your praise out of my mouth
                     C#m                      B
As long as I shall live, as long as I shall live
```
