

Sleepwalking

Laura Hackett

Gm
I want something real, something raw
Ebmaj7
Not tainted, jaded by this world

Gm Ebmaj7
Cause I'm scared, really scared that something's going down
Bb F
And the life that I've been clinging to won't make it
Gm Ebmaj7
Won't make it through the storm

Gm Ebmaj7
I've been shaken deep inside, although my skin may well hide it
Gm Ebmaj7 Gm Ebmaj7
My possessions won't save me; my beauty means nothing in eternity
Gm Ebmaj7 Gm
This world's been sleepwalking off a cliff, but my eyes have been opened
Ebmaj7 Gm Ebmaj7
My eyes have been opened to this pleasurable exterior, it's only skin deep
Dm Eb
And it's terror, it's terror that lies underneath

Gm Eb F
So wake up, wake up, O my soul
Eb Gm Eb F
It's a new revelation; wake up, wake up, O my soul
Eb Gm Eb F
Where is your eternal destination? Wake up, wake up, O my soul
(Eb Gm Eb F)
(Turn from your path of destruction; wake up, wake up, O my soul) *second time*
Eb Gm Eb F
It's a new revelation; wake up, wake up, O my soul
Eb Gm (Ebmaj7 Gm)
The time has come to turn, to turn, to turn to the Lord your God
