

My God Is King

Laura Hackett & Pablo Perez

Verse 1:

When I think of You and the coming days
When the kingdoms fall and Your reign begins
Everything in me longs to see the Man
To sing the never-ending song

Chorus:

My God is King of all the earth
My God is King forevermore
The nations come to worship Him
My God is King forevermore

Verse 2:

Bright and Morning Star, hope of all the earth
You will shine Your light like the rising sun
There will be no end to Your kingdom's rule
All creation sings the everlasting song
