

Burn in Me

Tim Reimherr

Verse 1:

A reflection of You is all I want to be
The fire in You is all I need
I try on my own and I fail time after time
Here I am, Lord, and I give You my life

Chorus:

Come and burn in me, come and burn in me
This fire that I see in Your eyes is all that I need in this life

Verse 2:

O Spirit within, I feel You groan
All You want to give is what I'm longing for
So come break my heart and purge me still more
Consume me, God, and make me Yours

Bridge:

O Living flame of love, consume me with Your heart
In everlasting burnings I will dwell
O Living flame of God, consume me with Your heart
In everlasting burnings I will dwell, I will dwell
