

# Eyes for Only You

Misty Edwards

## **Verse 1:**

Your steadfast love has captured my heart  
Breaking through the years of my shame  
You've quickly become the lover of my soul  
And I tell You, it will always be the same

## **Chorus:**

For I have set my heart toward You, O Lord  
As I dwell in Your courts forevermore  
Others call my name and beckon me to come  
Oh, but I, I have eyes for only You  
I will always have eyes for only You

## **Verse 2:**

I sing the song that all others may know  
My heart is steadfast, never to be moved  
Distractions worthy fight for my desire  
But my devotion will only be proved

## **Verse 3:**

"I am my Beloved's and He is Mine"  
These are the words that echo through my soul  
"O how she loves Him," the angels do say  
Through the ages this story will be told
