

Into Me

Tim Reimherr

Verse 1:

E B/D#
Hollow, I was lost inside; desperate, couldn't see the light

C#m7 B A F#m7

Naked, and feeling all the cold

E B/D#

Empty, like a joyless day; entangled, I was someone's slave

C#m7 B A F#m7

Stranded, and feeling all alone

A E B (F#m7 *last time*)
Till You came and stepped right into me

Verse 2:

E B/D#
Crying, 'cause You're just so good; laughing, as a child should

C#m7 B A F#m7

Dancing, 'cause I'll never be alone

E B/D#

Waiting, for our wedding day; longing, just to see Your face

C#m7 B A F#m7

Aching, for the best is yet to come

A E B (F#m7 *last time*)
Won't You come and step right into me

Verse 3:

E B/D#
Praying, Your kingdom come; living, Your will be done

C#m7 B A F#m7
Giving, I'm laying down my life

E B/D#
Watching, for the day will come; choosing, living in Your love

C#m7 B A F#m7
Abiding, for I'm nothing without You

A E B
Won't You come and live Your life in me (step right into me)
