

# Into Me

Tim Reimherr

## **Verse 1:**

Hollow, I was lost inside; desperate, couldn't see the light  
Naked, and feeling all the cold  
Empty, like a joyless day; entangled, I was someone's slave  
Stranded, and feeling all alone

Till You came and stepped right into me

## **Verse 2:**

Crying, 'cause You're just so good; laughing, as a child should  
Dancing, 'cause I'll never be alone  
Waiting, for our wedding day; longing, just to see Your face  
Aching, for the best is yet to come

Won't You come and step right into me

## **Verse 3:**

Praying, Your kingdom come; living, Your will be done  
Giving, I'm laying down my life  
Watching, for the day will come; choosing, living in Your love  
Abiding, for I'm nothing without You

Won't You come and live Your life in me (step right into me)

## **Bridge:**

All I'm searching for is found in You, in You  
All I'm longing for is found in You  
All I'm reaching for is found in You, in You  
All I'm living for is found in You

Won't You come and live Your life in me
