

Magnificent Obsession

Laura Hackett

There is only One who is holy
Only this One, yeah, who is good

And rightly I say, "How I love Him"
Following wherever He goes

Oh how I love this Man, Jesus
His purpose is my heart's desire

He's my magnificent obsession
Passion for Him burns like fire
(Passion for Him burns like fire)

And when I find Him whom my soul does love
Embracing Him, I'll not let go

For His banner of love abides over me
Ending the dark night of my soul
