

# Praise Is Awaiting You

Seth Parks

## **Verse 1:**

You prepared a place as if in mansions high  
It's only by Your blood that I can enter in  
For angels stand in awe and join the song of saints  
It's only by Your blood; You've done what no man dreamed

## **Pre-chorus:**

Jesus, wonderful Savior of the world  
You have snatched me from death and now I will never die

## **Chorus:**

Praise is awaiting You, praise is awaiting You  
O God, You will always be remembered  
Praise is awaiting You, praise is awaiting You  
O God, You will always be remembered

## **Verse 2:**

To live inside a King dressed in blinding light  
It's only by Your blood Your righteousness is mine  
The cloud of witnesses lifts up a joyous shout  
The trees will clap their hands for I've been bought with blood

## **Bridge:**

Your holiness, holiness is far above  
You've taken me from lowliness and lift me up  
And now Your song will never end

O God, it's freedom for every man  
My Prince of Peace, my champion, it's Your song I sing
