

# All My Days

Rita Springer

## **Verse 1:**

When my life is through, Lord, I hope that You  
Will be pleased with me  
And whatever came my way in all that I've been through  
I held on to You

## **Chorus:**

For the voice of my Shepherd I will follow  
And the hand of my friend I will take  
And the hem of Your garments I will kiss, Lord  
For all my days, for all my days

## **Verse 2:**

In the darkest time, You have been my find  
And I can't repay  
You've saved me with Your love and washed me in the blood  
And I will obey

## **Bridge:**

Here am I, so in love with serving You  
Bending low to bow before my King  
My desire is only to please You, Lord  
My desire is simply to obey
