Job 38
John Mark McMillan

Verse 1:
```
        C#m              E           A                        B
I want to sing like the stars in Job 38 when all the sons of God shouted for joy
        C#m              E
I want to burn like the bush and not be consumed
A                                B           B/D# E        B    (C#m)
   So bright the nations would take off their shoes,      take off their shoes
```

Pre-chorus:
```
        C#m
I want to shine with the glory of an unveiled face
         A                 B
I want to radiate with the fire of You
          C#m
I want to shout from the roof what I hear in dark
A                            B
   I want to be dangerous with the truth
```

Chorus:
```
E           E/D#   A            C#m  B/D#
I will be Your lamp if You will pour the oil
E              E/D#              C#m    A B
If You light the incense, I will be Your censer
E           E/D#        A           C#m  B/D#
I will be Your tabernacle if You will be my ark
E           E/D#  C#m          A  B
I will be Your body if You will be my heart
```

Verse 2:
```
C#m              E           A                        B
   I want to watch the darkness run, I want to step like a torch into the night
  C#m          E        A                B  B/D# E  B (C#m)
A city on a hill cannot hide; I can't hide this light,        this     light
```

Bridge:
```
C#m           A/C#            A#dim/C#           A/C#               (C#m)
   I was born to shine (I was born to shine, I was born to shine, I was born to shine)
```
