

Job 38

John Mark McMillan

Verse 1:

I want to sing like the stars in Job 38 when all the sons of God shouted for joy
I want to burn like the bush and not be consumed
So bright the nations would take off their shoes, take off their shoes

Pre-chorus:

I want to shine with the glory of an unveiled face
I want to radiate with the fire of You
I want to shout from the roof what I hear in dark
I want to be dangerous with the truth

Chorus:

I will be Your lamp if You will pour the oil
If You light the incense, I will be Your censer
I will be Your tabernacle if You will be my ark
I will be Your body if You will be my heart

Verse 2:

I want to watch the darkness run, I want to step like a torch into the night
A city on a hill cannot hide; I can't hide this light, this light

Bridge:

I was born to shine (I was born to shine, I was born to shine, I was born to shine)
