

Lost in You

Marcus Meier

Verse 1:

My heart wants to know You, God; I sing it a thousand times
But every time You see it's true
Take me away with You; I want to abide in You
For I cannot bear the distance, God

Chorus:

I want to get lost in You, I want to be found in You
You are the reason I move, You are the reason I move

Verse 2:

My soul's longing for a drink of life-giving waters free
To all who are thirsty You say, come
For You are the bread I need, Your words are life and peace
To whom shall I run but You, O God

Bridge:

Come to me, ease this aching heart
Only You can draw me closer, God
No one else can satisfy my soul inside
I'll sing it a thousand times

I'm wanting You by my side
